TABLE OF CONTENTS	PAGE
SECTION 1: EUROPEAN YEARLING SALES RESULTS	1
SECTION 2: NORTH AMERICAN WEANLING AND COVERING SIRES	3
SECTION 3: WORLDWIDE SALES TICKER	6
SECTION 4: AUS / NZ YEARLING SALES PREVIEW	8

IN THIS ISSUE

- The North American and European Yearling Market broke the \$1-billion mark for the first time in 2022, with 9,470 yearlings selling for \$1,011,899,000 and averaging \$106,853. 15 sires averaged over \$275,000, headed by **Dubawi** and **Frankel** in Europe and **Into Mischief**, **Quality Road**, **Curlin**, and **Gun Runner** in America.
- The Kentucky November Sales jumped from an average of \$273-million from 4,766 catalogued in 2018/19 to a gross of \$307-million from over 1,000 fewer (3,729) catalogued in 2021, and a 29% jump in average from \$99,786 to \$128,679. The 2022 Kentucky November sales were very much in line with the 2021 results.
- 19 sires have 49+ yearlings catalogued to the first three 2023 Australasian Yearling Sales at Magic Millions, Karaka in New Zealand, and the Inglis Classic Sale in Sydney. Newgate Farm's Capitalist (86) and Deep Field (76), and Yulong's Victoria-based Champion 2020/21 Sire Written Tycoon (75) have the highest number catalogued across the three sales. Champion Sires Written Tycoon (55), I Am Invincible (53), and Snitzel (49), along with Deep Field (51), have the most catalogued in Magic Millions Book 1, which grossed A\$230-million in January 2022.

SECTION 1: EUROPEAN YEARLING SALES

Dubawi, leading sire of yearlings for 2022

EUROPEAN YEARLING SALES

As we predicted in our last issue, by which time the North American and European yearling sales had grossed \$995-million, the NA/EU yearling market cracked the \$1-billion barrier for the first time after the November 21 Tattersalls December (sic) Yearling Sale, finishing up with a total of \$1,011,899,097 for 9,470 yearlings sold (72.7% of the 13,033 catalogued) and a record average of \$106,853. The gross was up \$89-million, or 9%, from 2021; the average was up 7%. A stunning commercial performance. No doubt the bubble will burst sooner or later – it always does – but until it does happen 2022 is the new benchmark year for measuring future thoroughbred commercial market performance.

European sires **Dubawi** (28 sold/\$912,884 average) and **Frankel** (45/\$674,684) were out on their own as the top two NA/EU sires by yearling average, among 15 sires who averaged \$275k+. Kentucky sires filled the next four places with averages over \$400,000: **Into Mischief** (77/\$529,220), now cruising toward his fourth consecutive Sire

Championship, led North American sires, followed by Quality Road (45/\$516,666); Curlin (60/\$496,333), who had an unprecedented three Breeders' Cup G1 winners on the dirt; and wunderkind Gun Runner (59/\$468,006), who has just had his 10th GSW with only his first 3yo's. Also over or very near a \$300k average: Kingman (30/\$383,887), Galileo (33/\$367,905, last full crop), and Siyouni (63/\$330,180) in Europe; and Tapit (39/\$350,897), Medaglia D'Oro (40/\$339,918), Justify (74/\$304,692), and Uncle Mo (94/\$297,468) in Kentucky. Euros Lope De Vega (56/\$279,056) and Sea The Stars (76/\$275,362) round out a top 15 list of sires who averaged \$275,000+ at the 2022 NA/EU yearling sales – 7 in Europe, 8 in Kentucky. These 15 sires had a total of 819 yearlings sell - just under 9% of the total – which grossed \$338,778,000 – almost exactly one-third of the total gross. The yearlings by these 15 sires sold for an average of \$413,648; the other 8,690 yearlings sold by all other sires averaged \$77,808. The rich get richer.

Gun Runner, superstar second-crop sire and among the leading sires of weanlings for 2022

NORTH AMERICAN MIXED SALES

If we take the pre-Covid 2018-2019 Kentucky November Mixed Sales (Fasig-Tipton plus Keeneland) as a benchmark, those four sales averaged 4,766 catalogued of which 2,736 sold, which was 57.4% of those catalogued. The average combined gross for the two years was \$273,065,850, and the two-year average was \$99,786.

The Kentucky November market came back to life in 2021. Over 1,000 fewer horses (3,729) were catalogued than the 2018-19 average (4,766), a drop of 22%, but there were some impressive metrics achieved: the percentage sold from those catalogued jumped from 57.4% to 64.0% as 2,388 lots sold for \$307,284,500 and averaged \$128,679. With 1,000 fewer catalogued the gross was still up 12% and the average 29%. So November 2021 became the new benchmark.

And against those benchmarks the 2022 Kentucky November Mixed Sales were pretty much dead even with 2021. The number catalogued inched up by 8%, to 4,024 (+275 hips), though only 26 more horses sold (2,414) so the percentage sold from the catalogues dropped back to 60.0% even. The gross increased by just under \$4-million, to \$311,241,700, while the average remained almost dead level at \$128,932. It's amazing how these sales a year apart can end up so similar, considering that the composition of mixed sales catalogues can theoretically vary so much, whereas we expect more stability in yearling catalogues. But maybe that's the point: the money available will buy the best available or the best it can afford, and that principle doesn't vary so much from year to year.

As far as sales averages go, some sires have a sprinkling of weanlings which can lead to some pretty iffy overall averages; Medaglia D'Oro for example had just two weanlings sell - a \$1.5-million filly and a \$70,000 colt, for a \$785,000 average. Most of the top sires had five or fewer sold. Four seriously up-and-coming young sires with 10+ weanlings sold averaged over \$200,000: F2019 Gun Runner (11/\$429,545); F2018 Not This Time (18/\$244,444); top first-crop F2022 sire Authentic (Spendthrift, 13/\$242,692); and F2020 Justify (14/\$240,207). Among what looks like a strong crop of first-year (F2022) weanling sires with 10+ sold, Lane's End Game Winner (10/\$138,200) and Gainesway's McKinzie (26/\$135,118) ran two-three by initial weanling average, followed by Claiborne's War Of Will (21/\$102,761); WinStar's Improbable (10/\$94,700); Spendthrift's Vekoma (26/\$94,038); and Three Chimneys' Volatile (33/\$80,742). Mention also for Taylor Made's Instagrand, who had two colts sell for \$250,000 and \$300,000 enroute to a \$65,508 average for 23 first-crop weanlings sold.

Four covering sires, albeit again with usually limited numbers, averaged over \$750,000 for mares sold in foal to them: **Curlin** (6/\$1,630,833); **Tapit** (5/\$1,541,000); **Quality Road** (14/\$1,155,357); and **Gun Runner** (9/\$766,666). Among F2023 sires with their first mares in foal, Darley's **Essential Quality** (14/\$348,928) and Hill 'n' Dale's **Charlatan** (32/\$347,093) finished in a virtual dead-heat by average, followed by Darley's **Maxfield** (7/\$240,000); Spendthrift's **Yaupon** (22/\$152,227); and Taylor Made's **Knicks Go** (12/\$115,333).

SECTION 4. AUSTRALIAN YEARLING SALES PREVIEW

Capitalist, leading the pack with a combined 86 yearlings catalogued at Magic Millions, Karaka, and Inglis Classic

It will be 2023 before we know it and that means the Australasian yearling sale season is about to kick off with the Magic Millions Gold Coast Yearling Sale starting January 10; well, Keeneland January actually starts January 9 but it's not going to gross anything like A\$230-million, which is what Magic Millions Book 1 grossed last year. The catalogues are also out for New Zealand Bloodstock's Karaka sale, back to its late January slot, and Inglis' Classic Sale in Sydney in early February. We've compiled the sire indexes and of course they make very interesting reading.

Six sires have 35+ yearlings catalogued among the 979 in Magic Millions Book 1. Yulong's **Written Tycoon**, Champion Sire in the 2020/21 season, leads the field with 55 catalogued, ahead of Yarraman Park's 2021/22 Champion Sire I Am **Invincible** (53), followed by Newgate's **Deep Field** (51), Arrowfield's four-time Champion Sire **Snitzel** (46), Widden's **Zoustar** (39), and Newgate's **Capitalist** (35).

Cambridge Stud's **Almanzor**, sire in his first New Zealand crop of this season's G1 Victoria Derby winner Manzoice, is the leading sire at Karaka Book 1 with 56, ahead of a trio from Waikato Stud: **Ocean Park** (49), first-crop (F2021) sire **Super Seth** (43), by Dundeel, and eight-time NZ Champion Sire **Savabeel** (39). Capitalist (39) has the biggest representation at the Inglis Classic Sale, ahead of Widden Stud's first-crop sire **Zousain**, by Zoustar, and Yarraman Park's **Hellbent**, a son of their Champion Sire I Am Invincible who currently ranks third on the second-crop (racing crop, F 2019) sire list, behind only Almanzor and last season's Leading Freshman sire, Newgate's **Russian Revolution**. Zousain and Hellbent have 30 each in the Inglis Classic sale.

Overall 19 sires have 49+ yearlings catalogued among the three sales. We have mentioned, among the separate sales: Capitalist (86 total catalogued among the three sales), Deep Field (76), Written Tycoon (75), Ocean Park (72), Zousain (68), Almanzor (62), I Am Invincible (58), Super Seth (56), Zoustar (51), Hellbent (50), and Snitzel (49). Others with 50+ catalogued include: Coolmore's So You Think (63), runner-up on the 2021/22 Australian General Sire List; Arrowfield's Shalaa (56) and Dundeel (50); Russian Revolution (52); New Zealand's Rich Hill Stud's Proisir (50), a son of Choisir who is the runaway leader on the NZ General Sire List so far this season; and other firstcrop yearling sires **Pierata** (Aguis Farm, Qld, 60), Newgate Stud's Brutal (52), and Coolmore's Everest and G2 winner Yes Yes Yes (51).
